Marine Technician Action Marine - Burlington, WI

Job Description

We are looking to hire a skilled Marine Technician to inspect, troubleshoot, service, and repair marine engines and general boat repairs and maintenance including diagnosing and repair of steering, hydraulic and electrical systems. The ideal person for this role is energetic, eager to help, hungry to learn and a positive team player. Individuals seeking full or part-time employment are encouraged to apply.

Responsibilities:

- ♦ Properly document inspection and work performed
- ♦ Diagnose and repair/replace defective engines or engine components
- ♦ Inspect and repair/replace electrical, steering and hydraulic components
- ♦ Replace worn, damaged or defective mechanical parts
- ♦ Observe vessels in operation to detect potential problems
- ♦ Perform routine service to Action's Rental Fleet to maintain functionality
- ♦ General assistance and support for the leadership team as necessary
- ♦ Additional duties as required

Qualifications Required:

- ♦ Proven work experience as a Marine Technician
- ♦ Knowledge of inboard and outboard marine engines and related parts
- ♦ Drivers License with clean driving history
- ♦ Tractor driving experience a plus
- ♦ Trailer hauling experience a plus
- ♦ High school diploma or equivalent preferred

Competencies Required:

- ♦ Attention to detail
- ♦ The ability to take direction, execute a plan and work with a team
- ♦ Ability to lift heavy objects
- ♦ A passion for the marine industry

Additional Considerations:

We are looking for a committed individual that will enjoy contributing to the success of our organization and become one of our team members while learning more about the lake marine industry. We're a small privately held company that has been a leader in our industry for more than 20 years, and the Marine Technician position is an essential component to helping us further develop our brand and enhance the customer's experience with our overall business.
